BeyondCremation.com

These prices are effective as of April 22, 2026 - but are subject to change. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

CREMATION PACKAGES

All of our cremation packages include, basic services of licensed professionals and staff, transfer of remains into our care, refrigeration, cremation container and crematory fee. If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with our without an outside covering). The container we provide is rigid cardboard, and is already included in our cremation packages. If the purchaser supplies their own container, we will subtract \$90 from the package pricing. This list does not include prices for certain items that you may ask us to buy for you, such as cemetery services, flowers, and newspaper notices. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected. We charge you for our services in buying these items except where prohibited by State Law. Discloser Notice for funeral services agreement A.R.S. 32-1373 (B) This establishment offers for sale caskets and outer burial container, which may be purchased and used, at your option, in connection with the funeral services and final disposition of human remains however, except for State Health requirements (A.R.S. 36-136). The purchase or use of our caskets or outer burial containers is not required by law.
